WRITE

How Professor Pick helps you pick a topic

- Think about things you enjoy
- Ask: “What do I know a lot about?”
- Use your imagination!
- Look at pictures, books, or think about your own memories for ideas

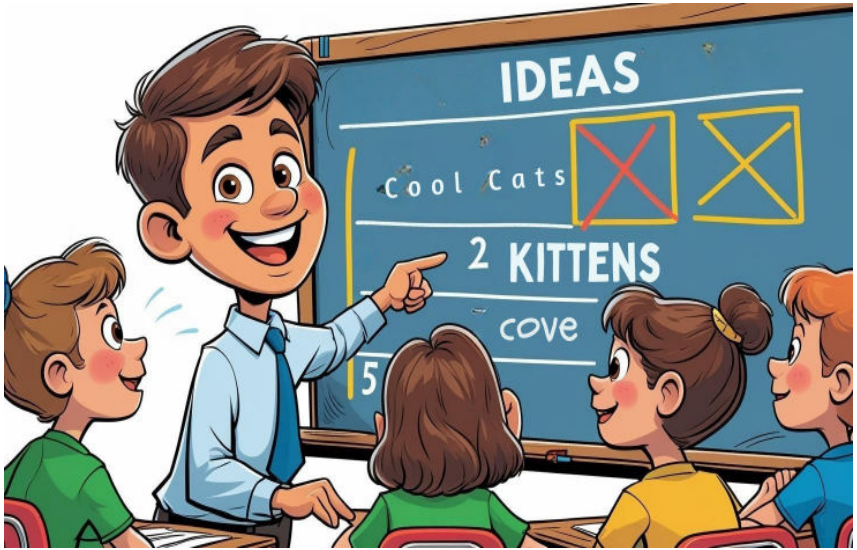
Listy Liz - The Brainstorm Boss

How Listy Liz helps you list your ideas.

- Unlock your ideas with brainstorming
- Write your ideas down freely
- Use webs, maps, sticky notes, and anything that can help you make your ideas visible

Evaluating Evan - The Thought Judge

Evaluating Evan can help you evaluate your list



- Look at your list of ideas
- Cross out ideas that may not fit for your writing
- Circle the most important points you want to include in your writing

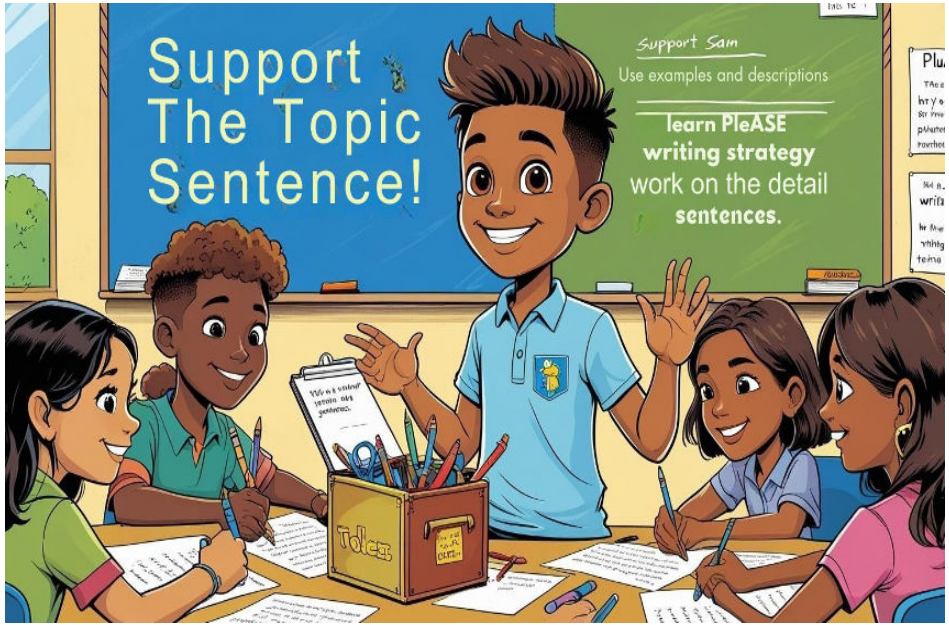
Active Amy - The Intro Igniter

How Active Amy can help you write your introduction

- Activate with a strong topic sentence
  - This will tell readers what your paragraph is about!
- Think of your topic sentence as the “headline” to your paragraph

Support Sam - The Detail Builder

How Support Sam helps you add details.



- Add details that explain your topic sentence
- Use examples and descriptions
  - This makes your writing more fun to read!
- Add transitions to connect your ideas smoothly

Ender Elle - The Wrap Up Wonder

How Ender Elle helps you finish it up.

- Wrap up your paragraph by summarizing your main points
- Leave readers with something to think about
- Make your ending memorable

Mission Brief: Operation PLEASE

Agents, your mission is clear:

You've been selected to join the elite Narrative Writers Guild. Your task? To craft a story so vivid, so unforgettable, it earns a place in the Library of Legends. ***To succeed, you must use the PLEASE writing team to guide your journey!***

Mission Brief: Operation PLEASE

Your story can be a daring adventure, a heartfelt romance, or an imaginative fairytale. But beware—the mission requires structure, vivid description, and a clear sequence of events!

Mission Brief: Operation PLEASE

Your toolkit includes:

- The PLEASE guide
- Story spark cards
- Graphic organizer
- Courage, creativity, and curiosity!

Do you accept this mission? If so, step into the story portal and begin with “P”—your first clue to unlock the journey…

Pick

Professor Pick here with topic ideas:

- Lost at the zoo
- First time baking
- Meeting a dragon

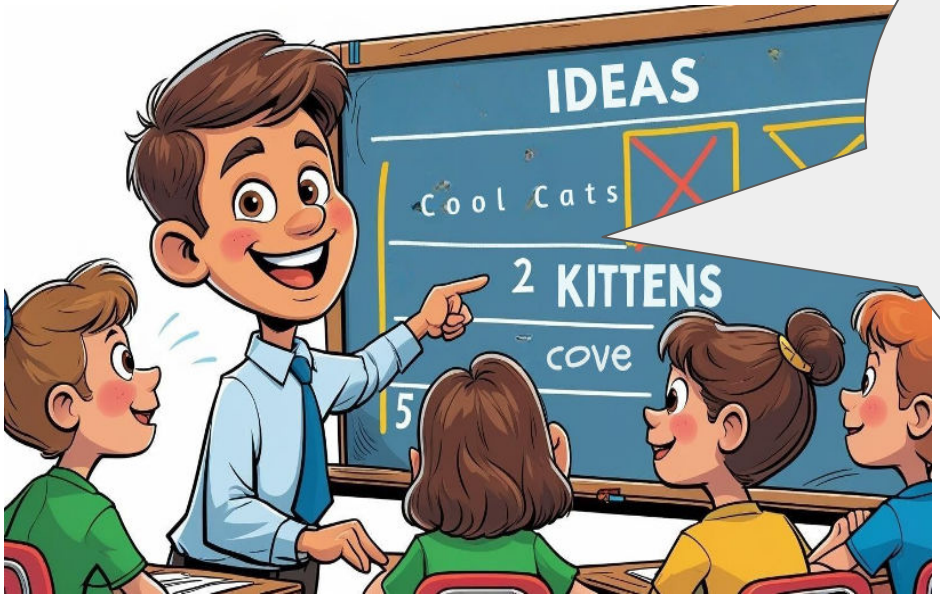
What excites you that you want to write about?

List

Listy Liz here with notecards. Now it’s time for you to list everything you imagine!

Brainstorm characters, setting, events, feelings.

Evaluate



Evaluating Evan here! Time to grab your highlighters or pens.

Evaluate which ideas to include. Circle ones that fit your story best (setting, plot points, cool moments)

Activate

"Activate your writing!"
Active Amy says.

Write your topic sentence—
your story opener or "hook".

Support

Supportive Sam here. Take out that tool box filled with details.

Add colorful adjectives, extra details, or conversation between characters to make your sentences exciting.

End

Ender Elle is here to write your concluding sentence.

This is the final touch. This sentence should say how your story ended!

Congratulations, Writers! You've completed your mission with the PLEASE team!

"Debrief Report"

- What part of PLEASE helped you the most today?
- What's one detail you added that made your story stronger?
- If you could do another writing mission, what would you want to write about?
