

The **POWER** Writing Strategy

Your guide to becoming a writing superhero

Plan

Think about what you can learn about:
What is the topic?
What will be exciting my readers?
What is the main idea? What do I want to share?
How can I connect to a real-world situation?

Get Ideas

Organize

What are my main points?

Use a graphic organizer to write:
Main idea and supporting points
Group of related points together
Consider your beginning, middle and end.

Build an Outline

Plan

Write your first draft: Your "Happy Copy"

Ask yourself: How did I do?
What do I like about it? What do I not like about it? How can I improve it?
What would I like to add?

Edit

Check for mistakes and fix them.

- Check for capital letters
- Check for punctuation
- Check for spelling
- Check for missing words or missing words

Revise

Make your writing even better.

- Is it exciting and interesting?
- Can I add more details or ideas?
- Does it tell a story that flows?
- Have my friends read it and give feedback?

PUBLISHED - It's your final, polished piece. You did it!
