

The **POWER** Writing Strategy

Your guide to becoming a writing superhero!

P

Plan

- 1. Think about what you want to write.
- 2. What is your topic?
- 3. "What will be saying you're writing?"
- 4. What is the main idea you want to share?
- 5. How can I best explain this idea?

O

Organize

- 1. Put your ideas in order.
- 2. How do you want to explain your ideas?
- 3. Highlight your points.
- 4. Check that all your ideas are in.
- 5. How can you best explain your ideas in order?

W

Write

- 1. Write your ideas in order, from "What you're saying."
- 2. Answer your main question.
- 3. Add words and phrases that explain your ideas.
- 4. Highlight your main ideas.
- 5. Highlight your main ideas.

E

Edit

- 1. Check your main idea in order.
- 2. Check for capital letters (C).
- 3. Check for punctuation (P).
- 4. Check for spelling (S).
- 5. Check that your ideas are in order.

R

Revise

- 1. Write your ideas in order, from "What you're saying."
- 2. Answer your main question.
- 3. Add words and phrases that explain your ideas.
- 4. Highlight your main ideas.
- 5. Highlight your main ideas.

FINALLY! Write your final, polished story. You did it!
